RICHARDSON ELECTRONICS REPORTS FIRST QUARTER FISCAL 2015 RESULTS AND DECLARES QUARTERLY CASH DIVIDEND

LaFox, **IL**, **October 8**, **2014**: Richardson Electronics, Ltd. (NASDAQ: RELL) today reported sales and earnings for its first quarter ended August 30, 2014. The Company also announced that its Board of Directors declared a \$0.06 per share quarterly cash dividend.

Net sales for the first quarter of fiscal 2015 were \$34.7 million, a 1.3% increase compared to net sales of \$34.3 million in the prior year. The sales increase primarily reflects growth in the EDG business of 7.7% offset by a decline in the Canvys division. Gross margin increased slightly to \$10.7 million, or 30.7% of net sales during the first quarter of fiscal 2015, compared to \$10.2 million, or 29.8% of net sales during fiscal 2014. Operating expenses increased to \$11.2 million during the first quarter of fiscal 2015, compared to \$10.1 million during the fiscal 2014. The \$1.1 million increase in expense is due to investments in new business units and new products to provide future growth along with incremental expenses associated with our new ERP system implementation. As a result, operating loss for the first quarter of fiscal 2015 was \$0.5 million, compared to operating income for the first quarter of fiscal 2014 of \$0.1 million.

Loss from continuing operations for the first quarter of fiscal 2015 was \$0.1 million, compared to income from continuing operations of \$2.0 million, or \$0.14 per diluted common share during the first quarter of last year.

"We are pleased that EDG is beginning to see growth across multiple product lines and markets. Our solid vendor partnerships, coupled with the investments we are making in engineering, product development, and manufacturing capabilities, should enable us to continue increasing revenues in high growth niche markets.

We have now formalized Richardson Healthcare as a strategic business unit to focus on providing the highest quality replacement parts for diagnostic imaging equipment. Through our investments and focus on power management and healthcare, we believe our operating results will improve over the next several years as we leverage our global infrastructure and existing customer relationships," said Edward J. Richardson, Chairman, Chief Executive Officer and President.

"We anticipate our second quarter sales should be in the range of \$34 to \$36 million. We remain focused on building our business to achieve sustainable growth over the long term," said Mr. Richardson.
